Bovis Lend Lease, S.A.  
C/ María de Molina, 7  
28006 Madrid

**TO WHOM IT MAY CONCERN**

Bovis Lend Lease Spain, a part of the Lend Lease Corporation, has been Construction Manager for CISCO Systems Central Offices, Madrid.

**PROJECT DESCRIPTION**

The project was accomplished to agreed time and budgetary constraints. Bovis Lend Lease played in integral part in the delivery of the completed project to the exacting standards of Cisco Systems.

I would have no hesitation in working with Bovis Lend Lease Spain again in the future.

Yours sincerely

Ian Church  
Program Manager  
Cisco Systems EMEA (Southern Region)
