387,513 sq ft
36,000 sq m

Completion

February 1992

Duration

104 weeks

Assignment

Project Management

Architect

Eleuterio Poblacion

Bovis Lend Lease was responsible for the construction of the CITIBANK ESPAÑA Headquarters in Madrid located in the Parque Empresarial de la Moraleja.

The building has a surface area of 36.000 m² (offices and underground parking) and is equipped with sophisticated electrical and mechanical installations and an advanced security system. The lower level holds a data control centre.

This project was completed on schedule and within budget in a total of 24 months.
